*"This is the way" means:
President Azuma has always been a pioneer of a new epoch, and has given us many "words" such as "DAIDOMUMON", "Establishment of Daidojuku", "Kakuto-Karate", "Social Physical Education", "Hokutoki Championships", "KUDO", "KUDO MUKYUU" (there is no limit in Kudo), "TENCHI UJOU" (sentiment world). And after 34 years of learning, he has finally reached to the expression, "This is the way".
